WON'T BEAT ANYTHING.

The original name and logo of the RFD they're playing is "Dons de Kuanea Yatsura III: Sochi to Shokusan Pa..." which loosely translates to "Those who Can't Be Taken Dry III: And Flow into the Unemployment Office." It's a parody of the third game in the popular Dragon Quest series by Square Enix (formerly just Enix), which also publishes the magazine Donpatu. It's rendered in its Japanese title "Dragon-Quest III: Sochi to Shokusan Pa..." or "Dragon-Quest III: And Into the Legend..." and it was released in America as "Dragon's Legend III." Both the original and the parody are abbreviated to "Donatou" in Japanese.
